SIRE: ASC GOT IT MADE 318J

DAM: SMOKING HOT CHAR COM-
POSITE

This guy is gonna be BIG he has a hug cannon bone, nice top line, and big footed. He's gonna make a great steer project. He comes out off a Charolais Composite that we bought as a heifer for my daughter to show back when Covid first hit. We had such hi hopes for her in the show ring but as you all know Covid came and shut all our shows down so she didn't get to make it the backdrop like planned, but ever since then she's been dropping stellar calves for us. Her calve last year was no stranger to the backdrop. Come check him out he'll make some lucky showman a great project.
